

The Entrance Fee

LUTHER MANOR
A Life Plan Community

WHAT YOU NEED TO KNOW

INDEPENDENT & ASSISTED LIVING

It lowers costs

The Entrance Fee lowers your monthly rent significantly - **between \$200-1500 per month** - and makes the most sense if you plan on living at Luther Manor for an extended period of time.

It gives you priority

Paying the Entrance Fee gives you **priority access** to the higher levels of health care (ie., Assisted Living, Skilled Nursing and Rehab).

It helps secure your future care

The Entrance Fee is **reserved and available** for your future health care needs, providing peace of mind when you may need it most.

TWO TYPES OF ENTRANCE FEES*

Refundable Entrance Fee

Whenever an apartment is vacated due to a move away from Luther Manor, a move to another residential area at Luther Manor or the death of a resident, 90 percent of this fee is refundable.**

Non-Refundable Entrance Fee

You will receive a prorated refund if you move away from the Luther Manor complex within your first five years of residence. The refund is not applicable to a transfer within the Luther Manor complex or upon death.

* Refundable and Non-Refundable Entrance Fees are only available in Independent Living.

** Refunded upon reoccupation of the apartment. Exceptions may be made when moving within the Luther Manor continuum.

Things to Consider if You Choose to Rent

- You will pay more for your monthly fee as a renter than if you pay the Entrance Fee.
- You can pay the Entrance Fee at anytime and receive all its benefits.
- You forfeit priority access to higher levels of care should you need it.
